

TraceGains Software's Expansion Continues with New Hire Jocelyn Wilson

DENVER, CO, UNITED STATES, September 26, 2016 /EINPresswire.com/ -- TraceGains, the leading Food Safety and Quality Assurance (FSQA) software solution for food and consumer packaged goods (CPG) companies, welcomes Jocelyn Wilson to its growing team to handle database management for the company.

"Jocelyn is an excellent addition to our team," said Jenn Brusco, TraceGains' director of marketing. "Ms. Wilson is taking on a newly-created position which will help our company gather and analyze data faster and react to changing market conditions."

TraceGains continues to expand its staff to meet the growing demand for its food safety, quality, and compliance software solution. Ms. Wilson's hire represents the fourth new addition to the team in three months and other new positions have yet to be filled.

Wilson shared her eagerness to join the

company and commented, "TraceGains already has an impressive track record of offering valuable business insights to its customers in the food and beverage industry. I am excited to put my skills to work gathering and analyzing data to contribute to the organization's commitment to continuous improvement."

Ms. Wilson has previously held marketing and client services positions in legal, education, and non-profit organizations. The New Jersey native is a graduate of The Richard Stockton College of New Jersey with a B.A. in business.

About TraceGains

TraceGains' cloud-based SAAS solution provides food and CPG companies with an integrated quality, supplier, compliance, and regulatory document management system that eases compliance with [FSMA](#), [GFSI](#), and HACCP. By automating, innovating, and streamlining Food Safety and Quality Assurance, TraceGains' customers are 365 Audit Ready™ and the system typically pays for itself in only four to six months.

TraceGains is the winner of the 2016 Stratus Award for Cloud Collaboration. The company is also among the Food Logistics Top 100 software and technology providers and was named a Top 20

Ms. Wilson is taking on a newly-created position which will help our company gather and analyze data faster and react to changing market conditions.
