About Keller Williams Real Estate:

As the only major real estate franchise company in the North America to experience positive growth in recent years – among the most challenging in the industry – our time-tested models and systems establish a framework for profitability in any market. This is why we continue to far outpace the growth trajectory of any competitor.

There's a reason why Entrepreneur magazine recently ranked Keller Williams as the No. 1 real estate franchise, and why we were the only major real estate franchise company to report an increase in both the number of associates and the number of closed transactions for both the 2011 REAL Trends 500 and the RISMedia Power Broker Reports.
