

Spanish Ministry of Defence provide updates on the F-110 Frigate Programme this November

Spanish MoD will be presenting at SMi's Naval Mission Systems Technology conference which will take place on the 14-15 November 2016 in Rome, Italy

ROME, ITALY, September 27, 2016 /EINPresswire.com/ -- "Last year the Spanish Cabinet approved the definition phase contract for the F110 frigate, manufactured by Navantia, with an estimated value of €19.79m and scheduled to be completed on 15 December 2017. The new Spanish F-110 frigate will integrate advanced weapons systems that support operational and strategic missions for defence and security." [*\(Source\)](#)

Captain Manuel Martinez Ruiz the F110 Frigate Programme Manager from the Spanish Ministry of Defence will be speaking at SMi's [Naval Mission Systems Technology](#) conference. He will provide an in-depth presentation with all
