

Veterinary Healthcare Global Market Research in-Depth Analysis Report 2016 Forecast to 2022

WiseGuyReports.Com Publish a New Market Research Report On –“Veterinary Healthcare Market”.

PUNE, INDIA, September 22, 2016 /EINPresswire.com/ -- Global [Veterinary Healthcare](#) market is accounted for \$24.34 billion in 2015 and is expected to reach \$40.8 billion by 2022 growing at a CAGR of 7.6% from 2015 to 2022. Factors such as food safety and improved nutrition, increase in pet ownership, increasing awareness of zoonotic diseases and increasing animal population are driving the market. However, increasing cost of animal testing, increased competition for cultivated land restrictions established by regulatory bodies will challenge the veterinary market.

Feed additives held the largest share among the products segment followed by pharmaceuticals and vaccines. Europe is the leading market in veterinary healthcare followed by North America. Asia-pacific and other developing regions will be the major contributors to the market.
