

RE/MAX Realty Group Real Estate Team Welcomed into the RE/MAX Circle of Legends

The Prigal Brothers and Associates, the top team at RE/MAX Realty Group in Gaithersburg, Maryland, are admitted to the RE/MAX Network's most exclusive group.

GAITHERSBURG, MARYLAND, UNITED STATES, September 26, 2016 / EINPresswire.com/ -- The Prigal Brothers and Associates, the top team at RE/MAX Realty Group in Gaithersburg, Maryland, have joined the RE/MAX Network's most exclusive group known as the RE/MAX Circle of Legends. The team, which consists of real estate agents Richard Prigal, Larry Prigal, Kate Snyder and Beth Borenstein, was admitted into the elite group and awarded a trophy in August 2016 for its commitment to the RE/MAX Network and continued success in the real estate industry.

Entrance to the prestigious RE/MAX Circle of Legends is truly an accomplishment, with just 388 RE/MAX agents in the circle. The RE/MAX Network has over 100,000 agents worldwide. Entry to the group represents a commitment of at

least 10 years with the RE/MAX Network and the attainment of a major milestone in the volume of business conducted throughout an agent's career. The Prigal Brothers and Associates' admittance to the group was an honor the team did not expect to receive.

"This honor was truly unexpected," said RE/MAX Realty Group Agent Richard Prigal. "We owe this recognition to our clients. Their loyalty and commitment to our team, and their referrals are what have allowed us to have such a successful career. We have been fortunate. Not only because of all the amazing clients we have had, most of which we now call friends, but also because of all the opportunities RE/MAX has given us."

Richard and Larry Prigal, who have been with RE/MAX Realty Group for nearly 20 years, are recognized for their commitment to their clients and have continued to yield high production, year after year.

RE/MAX Realty Group and RE/MAX 100 have been in business for over 30 years and have the reputation of providing quality service to customers and a quality experience to their realtors by providing them with the tools they need to succeed.
