

# SignResource increases manufacturing and warehouse space by over 143,000 sq.ft.

*SignResource more than doubles its manufacturing and warehouse capacity.*

LOS ANGELES, CALIFORNIA, USA, September 23, 2016 /EINPresswire.com/  
-- LOS ANGELES, CALIFORNIA, USA, September 23, 2016 /EINPresswire.com/  
-- SignResource, a leading national sign manufacturer, announced that it will be more than doubling its capacity by adding over 96,000 sq.ft. of manufacturing space and 47,000 sq.ft. of storage space in the 4th quarter of 2016.

Located in Southern California, this will

be the second of SignResource's manufacturing and warehousing locations. "SignResource is committed to our customers' needs and is investing in their growth", said Scott Van Ness, President and CEO of SignResource. "This new manufacturing and warehouse facility will enable SignResource to increase capacity and production speed while maintaining our singular focus on producing quality signage". Van Ness added, "This will become our primary Canopy/Forecourt manufacturing plant as well as our Warehousing and Distribution center".

## About SignResource

SignResource is one of the largest manufacturers of retail identity products in the US. It specializes in rebranding and reimaging programs for corporations in the United States and Canada.

SignResource provides turnkey services to its national and regional petroleum customers including surveys, permitting, installation, project management, value engineering, manufacturing, and sign maintenance. It operates customer service centers in Knoxville, Tennessee and Los Angeles, California to support its national customer base across all U. S. time zones. For more information, please visit the company's web site at [www.signresource.com](http://www.signresource.com).

Mr. Van Ness can be reached at 323-771-2098 or by email at [svanness@signresource.com](mailto:svanness@signresource.com).
