

Bathe in the Fire Releases Their Sophomore Album “The Sky in Front of Me”

BALTIMORE, MD, USA, July 4, 2016 /EINPresswire.com/ -- Bathe in the Fire is an international rock [band](#) collaboration with members who have never met each other in person. The modern conveniences of technology has allowed these musicians and their talents to come together without being in the same room or even the same continent. They just released their second [album](#), “The Sky in Front of Me.”

Following in the footsteps of the previous album, 2014’s Antihero, which was also released on Independence Day, they put their efforts together again to birth the album titled “The Sky in Front of Me,” packed with lyrical slices of life and infectious hooks.

The song “Barely” is about being in a relationship with someone who is looking to you for support, but you’re too lost in your own issues to be available for them.

The music video for “Barely” is available on YouTube (<https://youtu.be/YULtAWT51OU>). The single “Sugarcoat” can also be [downloaded](#) free from the band’s website at www.batheinthefire.com.

About Bathe in the Fire

Every band has a time when they reach their musical peak...I feel BITF is one of the few bands to actually be able to reach this point on each release, but “Sugarcoat” has its own special feel.

Rick Jamm, JamSphere Magazine

Bathe in the Fire emerged in 2013 and includes musicians from the U.S., Canada and Holland. They met and work through an online community which allows them to share ideas and edit each other’s work. While there are multiple contributors to the group, the core of the band consists of Scott, Martin and Anton.
