Hold On By Hayden Billigy Is A New Music Album 2016

KINGSTOWN, ST. GEORGE, ST. VINCENT & GRENADINES, September 25, 2016 /EINPresswire.com/ -- Songwriter and recording artist Hayden Billigy, released his inaugural EP album titled "Hold On", on Saturday 27th August 2016. Led by the title track "Hold On", the music release also features five other encouraging and uplifting songs which lead listeners out of despair and into a hopeful future with God. The other songs in the line up are "You are not alone"; "He loves me"; "You must hear me"; "No more" and "Everything's beautiful".

"Hold On", the title track, was written in a time of personal difficulty. According to Mr. Billigy, "Hold On" kept him strong and stable in the time of distress. He now uses the song to encourage himself and other individuals to never give up despite the circumstances, and to hold on to their faith in God.

"Hold On" is written true to life and evokes images of the Biblical Psalms in which the writers penned their challenges and emotional responses to the difficult situations they faced. Like the Psalms, "Hold On" reinforces a theme of encouragement and hope in God. The listener is held captive by the evocative moods in Hayden's voice which capture the emotions that he paints in the lyrics. You may become emotionally stirred as a result.
