Have you ever found yourself stuck in negative life patterns feeling frustrated, depressed, angry or overwhelmed? Sandra and Daniel Biskind know you don't have to suffer – you have the power to change your thoughts and change your life.

Sandra and Daniel Biskind are world leaders in teaching us to neutralize the hidden emotional triggers that rule our lives--and to disconnect their powerful impact! These extraordinary spiritual and personal growth leaders have unlocked the formula that allows us to remove the stressors that stand in the way of successful leadership, peacefulness and enlightenment. Firmly established in “neutrality,” everything is attainable—financial success, vibrant relationships, a life of meaning and purpose.

"The only thing stopping you from having the life you want are your thoughts," says Sandra. "Your thoughts determine the code you live by. They have been imprinted into your DNA since childhood and have become unconscious blocks to happiness and successful leadership."
