

# Spanish MoD to provide an update on their National MilSatCom Program at Global MilSatCom 2016

*SMi are excited to announce Brigadier General Carlos J. De Salas, Head C4ISR & Space Programs, Spanish Ministry Of Defence, will speak at Global MilSatCom 2016*

LONDON, LONDON, UNITED KINGDOM, September 28, 2016 /EINPresswire.com/ -- SMi Group are delighted to announce Brigadier General Carlos J. De Salas, Head C4ISR & Space Programs, Spanish Ministry Of Defence, will be presenting on day three of the conference on "Spanish MoD MilSatCom Program, Our Roadmap To Enhanced Military Operations In An Efficient Way."

In his presentation Brigadier General Carlos J. De Salas will provide an overview of capabilities of the present

Spanish MilSatCom Program and the steps in its development. He will also discuss the Spanish approach to increase "MilSatCom Standardization and Capacity" at NATO and EU level (ie: CP130 and GOVSATCOM) and will provide a quick overview of the main Spanish National Space industries.

“

This is my first Global MilSatCom Conference and it has been a very informative learning experience. I look forward to coming back as a delegate from Canada and contributing further

*Event Attendee 2015,  
Canadian Department of  
National Defence*

Other speakers recently confirmed to present include Commodore David Greaves, Commander Defence Strategic Communications, Australian Department of Defense; Harriett Baldwin, Minister of State for Defence Procurement, UK MoD; Air Commodore Nick Hay, Head Capability C4ISR, Joint Forces Command, UK MoD; David Bair, Chief Executive Officer, Eutelsat America Corporation.
