He told us that he is very excited from all this “resonance” of the song in many countries (Brazil, Italy, Portugal, France, Turkey, USA, Ukraine, Russia and Israel).

He is also very satisfied from the comments on the official video clip of “Petra & Efhi” (Summer Version) and still cannot believe that the song and the video clip are about to be nominated at International Music Awards (IMA) 2016 in two categories (Best Latin Song and Best video Clip)

When asked about his new projects he told us that until December 2016 two more (and last) remixes of “Petra & Efhi” are scheduled to be released whilst he records new songs and some covers on songs he loves!

Here is the cover on Lionel Richie's hit "Hello"

and here is the cover on Diana Ross' hit "When you tell me that you love me"

Finally he has already recorded some new English Electronic Dance Music (EDM) tracks based on poems he wrote last year after a personal sad story of himself. The English lyrics on those poems were made by Tina Refenes

We all wish to this sexy guy from Greece a very very big career at the music industry!
