

Neoappz Introduces Photo Messages for 1.0 for iOS 10

Neoappz introduces Photo Messages , iMessage App for iOS 10. Photo Messages is a user-friendly app which allows users to create custom stickers from photos.

COLOMBO, WESTERN, SRI LANKA, October 5, 2016 /EINPresswire.com/ -- Neoappz, a mobile application development company, today is proud to announce the release and immediate availability of [Photo Messages](#) 1.0 for iOS devices. Photo Messages is a user-friendly iMessage application which allows users to create their own stickers from photos.

Photo Messages allows users to capture images with the camera or select existing photos from the photo library. With the app's user- friendly interface users' can easily rotate and resize these photos. A wide range of existing stickers can be

placed over these photos to create custom stickers. Photo Messages can be used to create stickers for occasions such as birthdays or to create stickers with funny expressions. It contains stickers with quotes, dress up stickers and a wide range of other cool stickers.

Recently used stickers are saved for easy access. These recently used stickers can be placed on existing message bubbles to create interesting conversations.

The app is easy to use and is an interesting app that is useful for any one who wants to create their own cool, funny stickers.

Device Requirements:

- * Compatible with iPhone, iPad and iPod touch.
- * Requires iOS 10.0 or later
- * 5.06 MB

Pricing and Availability:

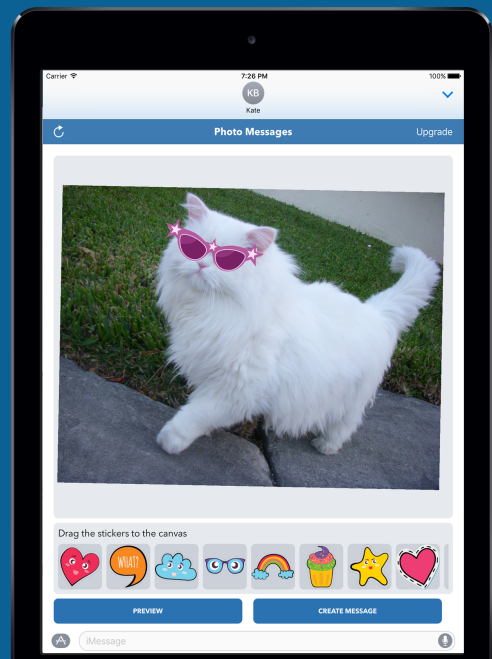

Photo Messages 1.0 is available for Free exclusively on the App Store in the Stickers category. [Photo Messages Pro](#) 1.0 is available for \$0.99 USD (or equivalent amount in other currencies) exclusively on the App Store in the Photo and Video category.
