

Haptic Interface Market 2016 market Share, Current and Future Players, Analysis and Forecast to 2022.

Global Haptic Interface Market Information, by Components (Hardware, Software), Segmentation by Application, by End Users - Forecast 2016-2022

PUNE, MAHARASHTRA, INDIA, September 29, 2016 /EINPresswire.com/ -- Target Audience

“

The Major Key Players are Apple(U.S.),Google(U.S.),Haption SA(France),AAC Technologies(China),Immersion Corporation(U.S.),3D Systems (U.S.),Nuance Communications (U.S.),Novasentis (U.S.),Ultrahaptics.”

Market Research Future

- Actuators manufacturers
- Virtual Reality manufacturers
- Sensors Manufacturers
- Software Developers
- Interface Technology Developers

Market Synopsis of [Haptic Interface Market](#)
Market Scenario

Haptic Interface is a technology, which allows a human to establish a connection with an electronic device such as computers and smartphones by the body sensations and body movements. Each action of body refers to certain tasks and assist the user by giving desired result. Features

such as hands free use device, digital virtual assistance and scope in the virtual reality are playing the key role in the market driver. [Global Haptic Interface market](#) has been valued at US \$XX million in the year 2015 which is expected to grow at US \$XX million by the end of forecasted period with the CAGR of XX%.

Key players

- Apple (U.S.),
- Google (U.S.),
- Haption SA (France),
- AAC Technologies (China),
- Immersion Corporation (U.S.),
- 3D Systems (U.S.),
- Nuance Communications (U.S.),
- Novasentis (U.S.),
- Ultrahaptics (U.K.),
- Qualcomm (U.S.).

Market Segmentation

Segmentation by Components: Hardware (Controllers, Sensors, Actuators) & Software.

Segmentation by Application: Computer Haptic, Machine Haptic & Human Haptic.

Segmentation by End Users: Manufacturing, Education and training, Games, Automotive, Scientific among others.

Study Objective of Global Haptic Interface Market

- To provide detailed analysis of the market structure along with forecast of the various segments and sub-segments of the Global Haptic Interface Market
- To provide insights about factors affecting the market growth
- To analyze the Global Haptic Interface market based on various factors- value chain analysis, porter's five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, Asia, and Rest of the World (ROW)
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segment by components, by end users and sub-segments
- To provide strategic profiling of key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market.

Industry News

- In July 2016, Novasentis announced that the global partnership with Armor has been growing rapidly where Armor has expanded the manufacturing of unique haptic actuators for wearable devices.
- In May 2016, ULTRAHAPTICS announced the partnership with Shinoda & Makino Lab, to work together on mid-air haptics.

Regional Analysis

North America is dominating the market of haptic interface. Technological advancement and presence of global players in this region is supporting the market of haptic interface. Heavy investment in R&D from private sector towards the development of haptic is key factor which is driving the market. North America Haptic Interface market has been valued at US \$XX million in the year 2015 which is expected to grow at US \$XX million by the end of forecasted period. Europe stands as second biggest market with the market share of XX%. Asia-Pacific has emerged as fastest growing market with the CAGR of XX%. Strong manufacturing sector in China and Japan is adopting this technology for the efficient flow of work. Asia-Pacific haptic interface market has been valued at US \$XX million which is expected to grow at US \$XX million by the end of forecasted period.

The market is divided into the following segments based on geography:

North America

- US
- Canada
- Mexico

Europe

- Germany
- France
- Italy
- U.K
- Rest of Europe

Asia- Pacific

- China
- India
- Japan
- Rest of Asia-Pacific

RoW

- Brazil
- Argentina
- Egypt
- South Africa Others

Key questions answered in this report

What will the market size be in 2022 and what will the growth rate be?

What are the key market trends?

What is driving this market?

What are the challenges to market growth?

Who are the key vendors in this market space?

What are the market opportunities and threats faced by the key vendors?

What are the strengths and weaknesses of the key vendors?

About [Market Research Future](#):

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.
