

Affordable Dental Solutions to Provide Custom Dentures for \$495 per arch in the Philadelphia Area

The new Exton, PA, office of Affordable Dental Solutions now offers their Chester County and Philadelphia-area patients custom dentures for \$495 per arch.

EXTON, PENNSYLVANIA, USA, October 10, 2016 /EINPresswire.com/ -- Affordable Dental Solutions has long taken satisfaction in providing their patients with quality dental treatment at an affordable price. Their new location in Exton, PA, less than an hour outside of [Philadelphia](#), now enables the company to provide custom [affordable dentures](#) to Philadelphia area residents for \$495 per arch. This newest location will be the company's second office to offer residents of both Chester County and the wider Philadelphia area dental treatment options, such as custom dentures and [dental implants](#), at some of the lowest rates in the area.

Affordable Dental Solutions now offers affordable dentures to Philadelphia residents

The team of experienced dental professionals at Affordable Dental Solutions can provide dentures to patients for less than their competitors. Their all-inclusive pricing comes at a fraction of the cost that other dental services in the area may charge. With their affordable denture options, one arch will cost \$495, while two arches completed at the same time will only cost \$925.

"Dentures are so expensive," explains Dr. Donald Green, dentures expert at Affordable Dental Solutions. "We try to alleviate this financial burden by offering our dentures at low prices while still ensuring they are of a high quality."

Affordable Dental Solutions is able to offer their quality services at such an affordable price because they use their own state-of-the-art equipment to make and customize patients' dentures. This forgoes the need for outsourcing to different laboratories and helps keep the costs of production down so that patients can afford a priceless smile.

Residents of Chester County and the Philadelphia area who are seeking to learn more about affordable dentures and dental implants should schedule a consultation with the dental experts at Affordable Dental Solutions.

About Affordable Dental Solutions: Based in eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant

manufacturing companies. Learn more at <http://www.affordabledentalsolutions.com/>
