

Affordable Dental Solutions Revolutionizes Dental Implants in Easton, PA

Affordable Dental Solutions' commitment to offering affordable dental treatment options to area residents has since expanded to the Lehigh Valley

EASTON, PENNSYLVANIA, USA, October 31, 2016 /EINPresswire.com/ -- With their new office in [Easton](#), PA, Affordable Dental Solutions will expand their commitment to providing inexpensive, quality dental treatment to Easton, PA, and Phillipsburg, NJ, residents. Affordable Dental Solutions has long prided themselves on their ability to offer quality care at affordable prices to satisfied patients at their flagship location in Reading, PA. Now, they hope to provide the same services and care to new patients searching for [affordable dental implants](#) and dentures in the Lehigh Valley, PA, and New Jersey.

An affordable, beautiful smile is not far away for Easton residents

Affordable Dental Solutions provides dental implants for an affordable fee of \$2000. This includes the implant, abutment, and crown. At about half the price of other dental implant providers, they offer some of the lowest rates in the area. Their Easton office also provides [affordable dentures](#) at a fraction of the price that many other dental practices may charge. Affordable Dental Solutions believes that quality care should come at an affordable price that is manageable to their patients.

"We hope that our new office in Easton will enable us to provide our services to more individuals throughout eastern Pennsylvania and even New Jersey," explains Dr. Michelle Bernreuther of Affordable Dental Solutions.

Residents of Easton and Phillipsburg who are seeking affordable denture and dental implant options should schedule a consultation with Dr. Bernreuther, one of the skilled dental implants experts at Affordable Dental Solutions.

About Affordable Dental Solutions: Based in eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
