

Exeter Orthodontics Expands into the Lehigh Valley

Lehigh Valley residents can now find some relief when it comes to affording braces.

EASTON, PENNSYLVANIA, UNITED STATES, October 20, 2016 /EINPresswire.com/ -- The cost of [braces](#) is one that is not easy to pay, but families in the [Lehigh Valley](#) can now find some relief through affordable braces and [Invisalign](#) options. Exeter Orthodontics, an organization dedicated to ensuring that every patient receives the

treatment he or she needs without having to fear the costs of braces, has expanded its orthodontic practice into the Lehigh Valley. With offices in New Tripoli, PA, and Easton, PA, Lehigh Valley residents will soon discover that high orthodontic care does not have to come at a high price.

“

We are happy that we can provide some relief for deserving families in the Lehigh Valley.

Dr. John Pardini

“We are happy that we can provide some relief for deserving families in the Lehigh Valley,” says Dr. John Pardini of Exeter Orthodontics. “The cost of braces should not be something they have to worry about.”

Tens of thousands of patients at Exeter Orthodontics have already been treated with traditional braces and Invisalign for an all-inclusive price of \$3,995 with no hidden fees. Patients may rest assured that, regardless of whether they are seeking

treatment through traditional braces or Invisalign, they will receive quality material and quality treatment at an affordable price without cutting corners.

The incredible satisfaction that patients of Exeter Orthodontics have received has allowed the practice to continue to grow. Lehigh Valley residents no longer have to worry about the cost of braces and can seek affordable braces and Invisalign options. Lehigh Valley residents who are searching for more inexpensive, quality orthodontic options should schedule a consultation with Dr. Pardini, board-certified orthodontist at Exeter Orthodontics.
