BROOKLYN, NEW YORK, UNITED STATES, October 1, 2016

/EINPresswire.com/ -- Black Friday sales offer the lowest prices of the year, but that's not always convenient for those who need their items as soon as possible. The [Columbus Day sale](#) at Appliances Connection serves as a pre-Black Friday event, so customers can get the benefits of the Black Friday price tag without the wait. In fact, there is no wait at all—this sale is going on right now at Appliances Connection! The sale ends on October 11, 2016. This means the door-buster deals start incredibly early and we're offering up to a whopping 65% off select appliances and great sale prices on packages as well.

Appliances Connection is offering up to 65% off on select appliances and packages.

Along with offering Black Friday prices now, we're also offering free in-home delivery and no sales tax (except in New York State). This gives customers the added convenience of having their products delivered to their home, and an additional cut from their total cost. Moreover, eligible products can be purchased through no-interest financing for up to 18 months (if paid in full).
