

Release of Archery by Thornbury Software LLC for the Nintendo Wii U

WINCHESTER, INDIANA, UNI, October 3, 2016 /EINPresswire.com/ -- [Archery by Thornbury Software LLC](#) has been released for the Nintendo Wii U.

Archery by [Thornbury Software](#) for the Wii U was designed for a younger audience and for all ages to introduce the sport of Archery to those otherwise unfamiliar with it. There is no blood, sex or violence for those looking for these things the game will disappoint you. If however you're looking for a game your grandkids or whoever can play, learn something about the sport of archery without seeing heads being smashed in then this is a game you really should check out! The scoring has been simplified since the aim of the game is to introduce the sport not to be an exact replica of any range. Enjoy!
