

# Tampa Guitar Store, Replay Guitar Exchange, Invites the Bass Playing Community to Hang Together

*The bass room at Replay Guitar Exchange will be the epicenter of Tampa bass playing activity on Thursday, October 20*

TAMPA, FLORIDA, UNITED STATES, October 7, 2016 /EINPresswire.com/ -- Replay Guitar Exchange, an independently owned store that offers new, pre-owned and vintage guitars, amplifiers, and related pro-audio gear, is hosting a bass hang for Tampa Bay musicians and friends.

The event will be an opportunity for bass players to come together and demo gear, discuss techniques, stories and ideas. The guest artist for the event is Nashville musician Rich Ross, bassist of the Freddy Jones Band, (the Samples, Phil Vassar, Josh Gracin).

“In Nashville, musicians often get together to network, as well as share stories, which leads to gigs,” said Rich. “I have been spending a lot of time in Tampa and I thought it would be great to give bass players a chance to meet at an awesome place like Replay Guitar Exchange.” Rich will talk about his gear preferences, experiences on the road, and demo Epifani Amps, Roscoe Bases, D’Addario strings and some the amazing gear on hand at Replay Guitar Exchange. Additionally, Tampa groove-funk master, Shawn Wainwright, will be discussing his bass playing techniques.

It’s also an opportunity to check out Replay’s newly configured bass room. “When we opened the store recently, we had half of a room for bass guitars and amps,” said Kyle Bailey, the store’s owner. “We quickly realized we didn’t have enough display area for the great selection of bass guitars, amps and accessories we have, so we created a larger space devoted to bass guitars and bass players.”

All ages are welcome. Light refreshments will be provided.
