

# Magazine Maker AnyFlip: Create and Read Flipping Content Easily

*In this digital age, AnyFlip is not only the brand of magazine maker, but also the cloud platform for digital content publishing.*

HONGKONG, CHINA, October 10, 2016 /EINPresswire.com/ -- As a reputable software company, AnyFlip has grown in popularity among digital publishers since being released to the public. Available for free download, many users have reported increased exposure and enhanced customer reach by using the digital [magazine maker](#) in the creation and distribution of their different contents.

Software such as the AnyFlip flipping magazine maker allows content providers to not only increase the functionality of digital publications but also make their content more accessible and engaging across various online platforms. It allows for fast and efficient PDF to flipbook conversion, along with providing users with a wide range of tools and templates to create flipping magazines from scratch.

The CEO of AnyFlip, Jason Chen, says: "AnyFlip provides the free PDF to flipbook software with powerful functions. It can bring life to the static PDF documents. Also, it provides the digital publishing platform for users to distribute and share the flipbook online. Thus, it attracts users from all aspects of life who publish the rich content to the platform. Everyone is free to reach the content, for this reason, AnyFlip is made extremely user-friendly and easy to use."

Everyone can use AnyFlip online and desktop services. AnyFlip magazine maker can not only convert

PDF to attractive flipping magazines, but also offers the best digital publishing platform for online reading and sharing. It can help to publish the digital magazines of all aspects of life in the cloud platform, which allows everyone to read and share via social networks.
