Operations in the oil and gas industry are divided into three major sectors: upstream, midstream, and downstream. Oil and gas companies in this industry are specialized in operations related to either of the three sectors. However, there are large integrated oil and gas companies, such as ExxonMobil, BP, and Chevron that have operations in all three sectors.

Research analysts forecast the global automation solutions market in the oil and gas industry to grow at a CAGR of 1.1% during the period 2016-2020.
