

Applied Business Software Announces Hiring of Edward Kim, National Sales

Applied Business Software Inc. (ABS), leader in loan servicing software for private lenders, is excited to announce the hiring of Edward Kim

LONG BEACH, CALIFORNIA, USA, October 11, 2016 /EINPresswire.com/ -- Applied Business Software Inc. (ABS), developer of [The Mortgage Office](#)® and The Loan Office®, [loan servicing software](#) solutions for the lending industry, is excited to announce the hiring of Edward Kim to the National Sales Department, to further develop their growing presence with [The Loan Office](#)® software.

Edward Kim has a wealth of sales experience from working at Fortune 500 companies for the past 15 years, where he consistently met sales goals and exceeded quotas. "I am looking forward to joining this group of amazing software developers and loan servicing industry leaders. I strongly believe The Loan Office® software serves as a great resource to small private lenders and non-profits, as it automates their back office operations. Our system will help our customers be more efficient and profitable, and therefore grow their businesses", said Edward Kim.

Jerry Delgado, President and Co-Founder of ABS said "Edward is a great addition to our sales department. His key role in the expansion of The Loan Office® comes at a time where our business is booming and our company is reaching unprecedented high sales volume. We are thrilled to have him on board to continue the positioning of The Loan Office® software as yet another industry leader."
