

Global Anhydrite Market In depth Research, Source, Minerals, End Users, Key Growth, Cost, Key Drivers Forecast to 2022

Global Anhydrite Market Information by application (soil treatment, construction, fertilizers, industrial, drying agents) and by regions - Forecast to 2022

PUNE, MAHARASHTRA, INDIA,
October 12, 2016 /EINPresswire.com/ --
Target Audience

- Manufactures of end-use industry
- Raw material Suppliers
- Aftermarket suppliers
- Research Institute / Education Institute
- Potential Investors
- Key executive (CEO and COO) and strategy growth manager

Key Players in the [Global Anhydrite Market](#)

- Solvay
- Knauf
- Csr Limited
- Quzhou Zunlong Trading Co.,Ltd
- Mineralis Lucentum
- Anhydritec (Minersa Group)
- Pigment

The Major Key Players are Solvay,Knauf,Csr Limited,Quzhou Zunlong Trading Co.,Ltd,Mineralis Lucentum,Anhydritec,(Minersa Group),Pigment,International Anhydrite Promotion B.V.

Market Research Future

- International Anhydrite Promotion B.V.

Product Analysis

Product matrix which gives a detailed comparison of the market for different recycled product types

Additional Information

- Regulatory Landscape
- Pricing Analysis

- Macroeconomic Indicators

Geographic Analysis

Geographical analysis across 20 countries

Company Information

- Profiling of 10 key market players
- In-depth analysis including SWOT analysis, and strategy information of related to report title
- Competitive landscape including emerging trends adopted by major companies

Taste the market data and market information presented through more than 50 market data tables and figures spread in 133 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on "[Global Anhydrite Market Research Report - Forecast to 2022](#)"

Study Objectives of Anhydrite Market

- To provide detailed analysis of the market structure along with forecast for the next 6 years of various segments and sub-segments of the Global Anhydrite Market
- To provide insights about factors affecting the market growth
- To analyze the Global Anhydrite Market based on various factors- price analysis, supply chain analysis, porters five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, APAC, and Rest of the World (ROW)
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segment by application and regions
- To provide strategic profiling of the key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the Global Anhydrite Market

Market Synopsis of Anhydrite Market

The global anhydrite market has experienced a remarkable growth over the past few years and as per the analysis, during the forecast period the global market will retain this position due to the huge demand of anhydrite in several application areas such as in soil treatment, construction, fertilizers, industrial, drying agents and others. Anhydrite is one of the major substitute of gypsum, and is highly demanded for soil treatment as anhydrite contains more calcium than in gypsum. These are the major factors which are driving the global market. Anhydrite also placed in list of fertilizer which is also a good sign for the global market growth due to the rising agriculture industry. Along with this, small portion of anhydrite are used in drying agents such as paint, plaster and varnishing. Geographically, Anhydrite is majorly used in APAC region which is expected to the leading region followed by North America and Europe.

The report covers brief analysis of geographical region includes

North America

- US
- Canada
- Europe
- Germany
- France
- Italy
- Netherlands
- U.K.
- Rest of Europe
- APAC
- China
- India
- Japan
- Rest of Asia-Pacific
- RoW
- South America
- Middle East
- Africa

The report for Global Anhydrite Market of Market Research Future comprises of extensive primary research along with the detailed analysis of qualitative as well as quantitative aspects by various industry experts, key opinion leaders to gain the deeper insight of the market and industry performance. The report gives the clear picture of current market scenario which includes historical and projected market size in terms of value and volume, technological advancement, macro economical and governing factors in the market.
