Apple Co-Founder Steve Wozniak stated about JT Foxx:
JT Foxx is the closest thing I've ever met to Steve Jobs.

Success Resources continues to surprise and will also add World's #1 Wealth Coach JT Foxx to the line-up of speakers present at this year's National Achievers Congress, taking place from 22-23 October at the ExCeL in London.

Who is JT Foxx?

Controversial, yet respected in the business world, JT Foxx is the man with the mentality that can change mentalities. Businesswise, he is the young coach with the old wisdom that helps entrepreneurs get through demanding times and profit from fertile settings.

With business interests and clients in over 40 countries and six continents, JT Foxx is a former media personality widely considered to be one of the top platform speakers in the world.

Is JT Foxx really the closest thing to Steve Jobs?

After all, Steve changed the world by doing something palpable, something you probably use right now. JT Foxx deals with words and entrepreneurs who want to achieve that next big thing. So where are the similarities? Words are just words. It's action that separates the achievers from the rest of the crowd.

Nonetheless, what did Steve Jobs really offer us? Was it technology?

That was only the surface level. It was inspiration that Steve Jobs really seeped in our minds. That's where Steve Jobs and JT Foxx are alike. Just ruminate for a second.

How many times did you watch a presentation from Steve Jobs just for motivation?

The NATIONAL ACHIEVERS CONGRESS 2016 brings you the opportunity to achieve amazing results in your personal life, business, finances, and health with highly acclaimed speakers TONY ROBBINS, JASON VALE, EDDIE THE EAGLE and SANDY JADEJA.

That's what JT Foxx emulated to perfection. He offers the vital enthusiasm and creativity needed to succeed, regardless of your career or business endeavour. That's the reason why icons such as Arnold Schwarzenegger, Al Pacino, Sylvester Stallone and Rudy Giuliani have been at his acclaimed events, sharing their insights and life lessons through memorable interviews and skits.

At the London event, JT will share the stage with other iconic speakers such as Tony Robbins, Sandy Jadeja and Jason Vale. It will be an event where the ones who act can achieve everything, or as JT himself put it:

Stop complaining and start doing!
