

# Cosmetic Packaging Market Global Industry Analysis 2016

*Wise Guy analysts forecast the global cosmetic packaging market to grow at a CAGR of 5.07% during the period 2016-2020.*

PUNE, INDIA, October 18, 2016 /EINPresswire.com/ -- Global Cosmetic Packaging Market

Cosmetic packaging refers to the casing or primary packaging of cosmetics in pumps, dispensers, bottles, cans, cases, pouches, tubes, bags, and jars. The packs can be made of plastic, glass, or metal. Vendors have begun to adopt recyclable and eco-friendly packaging products due to growing environmental concerns. The demand for innovative designs and colors in packaging products and focus on packaging for brand differentiation are the primary drivers of the market. Plastic is emerging as the material of choice for cosmetic packaging because of its versatile nature. However, the rising price of plastic resins acts as a barrier to growth.

Wise Guy analysts forecast the global cosmetic packaging market to grow at a CAGR of 5.07% during the period 2016-2020.
