

# San Marcos Company Offers Artificial Hedge Maze Rentals to Southern California in Time for Halloween Events

*Also Great for Corporate Events, Weddings, and Trade Shows*

SAN MARCOS, CALIFORNIA, UNITED STATES, October 18, 2016 /EINPresswire.com/ -- [Evergreen Event Rental](#), Southern California's newest and most unique event rental company now offers [artificial hedge maze](#) rentals to Southern California residents in time for Halloween events. The hedge maze rentals are put together with 4' by 8' artificial hedge panels. Hedge maze rentals can add a spooky and fun touch to any halloween party.

Remember the hedge maze in the movie, "The Shining?" It served as the location at the climax of the film when Jack Nicholson was chasing Shelley Duvall with an ax. The hedge maze rental is not as elaborate as that hedge maze, but it is big enough for all kinds of spooky possibilities. The artificial hedge maze rental could serve as a haunted walkway for trick or treaters, an entrance to a halloween party, or the location for a scavenger hunt.

The artificial hedge rental is not only suitable for Halloween parties, but makes an excellent addition to a trade show, wedding, or corporate event. The artificial hedge panels are very easy to hang things on including paintings, or promotional banners. The hedge maze can serve as the entrance to a storybook wedding, fundraiser, or annual ball.
