

# Patented Drain Scoop Kickstarter Campaign

## *Valentine Mark Launches Drain Scoop*

NEW YORK, NY, USA, October 20, 2016 /EINPresswire.com/ -- Valentine Mark Corporation (VTMC), patent holder of the award-winning [Drain Scoop®](#) and Bottle Bucket™, will be launching the Drain Scoop on [Kickstarter](#). With its innovative design, the Drain Scoop® ice scoop combines the dry ice of tongs with the speed and convenience of an ice scoop. This revolutionary ice scoop contains strategically placed slots that allow for excess water from the melted ice to drain instantly, leaving nothing but dry, solid ice cubes for your next drink. Now in five different colors and two sizes, it also gives bartenders and those serving drinks a sanitary and efficient way to make the perfect drink every time. Kickstarter raised funds will be used to expand inventory, production, and marketing to support large retail orders and the demand that the Drain Scoop® is receiving from the market. It will be produced both domestically and overseas to meet the tremendous demand from retailers and online shopping channels.

Valentine Mark will be launching entire line of products and the first to come up with The Kickstarter campaign is titled as "Drain Scoop® Ice Scoop - Perfect Drink Every Time!" The link to the campaign is

The Bottle Bucket™ ice bucket, our next product to be launched, is also in preparation and will be released within the next few weeks. It is the only ice bucket with a unique, patented built-in bottle holder that allows any bottled beverage to be chilled in the same bucket as the ice without touching it. It is virtually two buckets in one and it keeps the bottle and the ice both sanitary and efficient.

These products are unique for home and hospitality solutions, bringing bartending sanitation and convenience to both the everyday consumer and up-scale, professional establishments. The Drain Scoop® ice scoop has gathered attention and acclaim in various trade shows and magazines around the globe and was awarded Best New Product Showcase at the International Restaurant and Food Service Show. The Bottle Bucket ice bucket has also been reviewed favorably in many publications
