About Stan Lee's LA Comic Con:

Stan Lee's LA Comic Con is Los Angeles' first multi-media pop culture convention, held annually at the Los Angeles Convention Center. L.A. Comic Con assembles the most exciting and innovative in comics, video games, sci-fi, fantasy, horror and all things pop-culture, making Stan Lee's L.A. Comic Con Los Angeles' ultimate pop-culture convention.

Partnering with comic legend Stan Lee himself (American Comic writer and creator and Media Mogul) and Elvira Mistress of the Dark, L.A. Comic Con is the only pop-culture convention owned and operated by true pop-culture icons.

Having attracted 75,000 fans from around the country in our fifth year, Stan Lee's L.A. Comic Con is

Marvel Comic Prey Origin of the Species

“

I never thought that Spider-Man would become the world wide icon that he is. I just hoped the books would sell and I'd keep my job.

STAN LEE

quickly growing into one of the most diverse and celebrated geek and pop-culture events in the United States. Our 2015 event housed over 700 diverse artists and vendors, selling exclusive, rare and limited editions of comics, collectibles, art, toys and other hard-to-find merchandise.

Our unique panels, autograph sessions and photo-ops give fans once-in-a-lifetime opportunities to truly interact with their favorite creators and major players in the entertainment industry.

The L.A. Comic Con team strives to make all your geeky fantasies come true! It is important that we create a cohesive community around our event. This truly is an event for the fans, by the fans.

About New Media Film Festival - Panel Producer

[www.NewMediaFilmFestival.com](http://www.NewMediaFilmFestival.com) In 2009 New Media Film Festival was announced in Second Life as part of the C3 – United Nations – Millennium Project as an annual event. The Festival brings together the work of established and emerging New Media Content Creators and video artists, from the US as well as internationally.

As Councilmember Paul Koretz stated: “The New Media Film Festival is one of the most unusual yet exciting festivals in the world. Thanks to the hard work of Founder/Director Susan Johnston and her board, this festival embodies the transformative power of the cinematic arts as it effectively welds together story and technology for everyone.”

New Media Film Festival introduces new technology, communication of ideas through panels and Q & A's to implement a more expansive use of 21st technology in storytelling for artists and content

creators.

The Goal of New Media Film Festival is to bring the world the Best in New Media – Honoring Stories worth Telling of emerging and established video and new media artists throughout the world. To give the global community at large the chance to experience the latest in technology and innovative storytelling to help define the world of new media.
