

Learningonline.xyz's Free Multi-Language App - Langu.ag, nominated for Shortlist Mobile App Awards 2016

Learningonline.xyz nominated for the Shortlist Mobile App Awards 2016 under the 'Language App of the Year' category.

CUPERTINO, CA, UNITED STATES, October 24, 2016 /EINPresswire.com/ -- Langu.ag has been nominated for the "Language App of the Year" at the Shortlist Mobile App Awards 2016, a prestigious forum recognizing the contribution that businesses have made to develop and improve apps that make a difference to everyday life.

Free multi-language learning App

According to a recent study from Compuware, 85% of smartphone users prefer mobile apps to mobile websites. Users find apps to be more convenient (55%), faster (48%) and easier to browse (40%). The World Journal Education's survey on Mobile Learning shows that 70% of learners show an increase in motivation to learn using mobile devices.

“

Langu.ag is the one-stop shop language app for those who are planning to travel, upgrade their language skills or are simply avid language lovers

Sue Brett, C.E.O. of Learningonline.xyz

“Learning a new language may seem daunting but with the advent of mobile apps that are readily available to users anytime, anywhere, it turns the task into social learning,” commented Sue Brett, C.E.O at Learningonline.xyz.

“Langu.ag is the one-stop shop language app for those who are planning to travel, upgrade their language skills or are simply avid language lovers. It also has massive appeal for multi-cultural communities where a melting pot of languages is the norm, ” she added.

Langu.ag includes a range of features to boost language skills, with instant [access to over 50 world languages](#), a unique translation tool that can be used by scanning, speaking or typing any word, and in-built interactive games to build language skills on the go. Langu.ag is free to download and is available on Apple, Google, Samsung and Amazon app stores. Langu.ag Version 3 is in pre-launch stage, with an upgrade to 160+ languages and new, improved user interface due in December.

Learningonline.xyz launched Langu.ag in the Middle East in collaboration with their partner company, Eton Institute. Langu.ag Version 3 is in pre-launch stage, with an upgrade to 160+ languages and new, improved user interface due in December.

Sue Brett, CEO of Learningonline.xyz commented, “We are really honored for Langu.ag to be

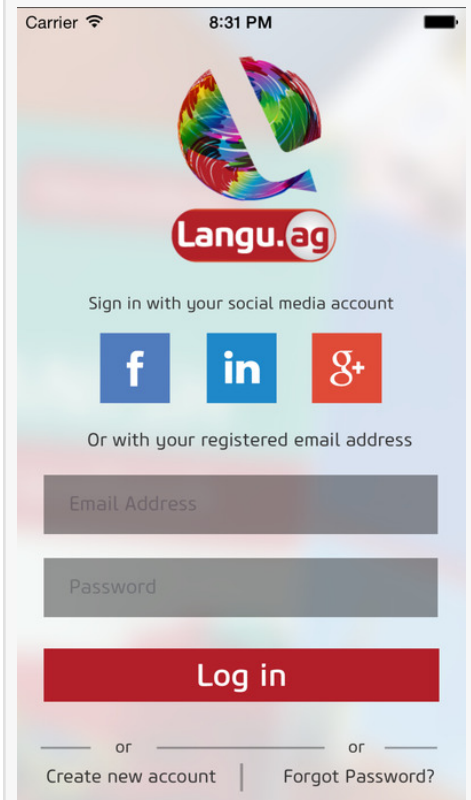

nominated for the Shortlist Mobile Apps Awards 2016. Our aim has been to offer the best possible technological tools to enable communication through the learning of languages and culture around the world, and this is a great endorsement of the potential that gets us so excited every day.”

The Shortlist Mobile App Awards will take place on 6th November 2016, at the App Awards Evening in Dubai, U.A.E.
