

# CAR DVR: Consumption, Demand, Sales, Competitor and Forecast 2016 – 2021

*CAR DVR Global Market 2016 Analysis and Forecast to 2021*

PUNE, INDIA, October 25, 2016 /EINPresswire.com/ -- "[CAR DVR](#)" is exactly what its name promises it to be: a camera that's mounted in or around your car's dashboard. The Car DVR are easily attached using a suction cup mount, direct dash friction mounts (those sticky rubber pads) and even built right into a not-too-conspicuous replacement rear mirror for your ride. Powered by batteries, hardwired into vehicle's 12-volt system or via cigarette lighter, the CAR DVR faithfully records all it sees.
