

Global Healthcare Mobility Solutions Market 2016 Share, Trend, Segmentation and Forecast to 2022

Global Healthcare Mobility Solutions market is accounted for \$24.3 billion in 2015 and is expected to reach \$144.8 billion by 2022

PUNE, MAHARASHTRA, INDIA, October 25, 2016 /EINPresswire.com/ -- [Healthcare Mobility Solutions](#) Industry

Description

Wiseguyreports.Com Adds “Healthcare Mobility Solutions -Market Demand, Growth, Opportunities and analysis of Top Key Player Forecast to 2021” To Its Research Database

According to Statistics MRC, the Global Healthcare Mobility Solutions market is accounted for \$24.3 billion in 2015 and is expected to reach \$144.8 billion by 2022 growing at a CAGR of 29.04% from 2015 to 2022. Improving various technological advancements in wireless network connectivity, growing adoption of electronic gadgets are the major drivers favoring the market growth. The factors such as growing usage of wireless networks i.e (3G and 4G) & patient centric mobility applications and low cost efficiency are some of the factors driving the market. However, data security concerns, cost issues and less data ability are the major restraints hampering the market growth. Expansion of healthcare industry in emerging regions such as Asia Pacific acts as opportunity for healthcare mobility solution market.
