*Running Belt Max is going to be the number one running belt brand— influential social media marketers needed to help them achieve their goal.*

ASHEBORO, NORTH CAROLINA, UNITED STATES, October 25, 2016 /EINPresswire.com/ -- The company behind the popular Running Belt Max brand running belt is looking for social media marketing experts, to help to further expand the product into the marketplace. Since the release of the Running Belt Max, it has been a big success, selling better than 98% of all other running belts listed on Amazon.com. There are 25,000 search results for 'running belt' on Amazon, and the Running Belt Max is consistently ranked in the top 50 best-selling running belt waist packs.

But Dave Chandler, the president of Running Belt Max, wants to be number one. From the large number of positive reviews – more than 600 of them on Amazon.com – to the fact that it's now being used by a four-time Olympian; this doesn't seem like a stretch. Record-breaking Winter Olympian Ruben Gonzalez is now endorsing the Running Belt Max, and without any compensation. Ruben's a big fan, and he sent the company a testimonial which is posted on the company website along with a photo of him wearing the belt, found here:
