

Defence Logistics Central and Eastern Europe 2017 Now Open For Registration

Registration now open for Defence Logistics Central and Eastern Europe 2017

LONDON, SELECT, UNITED KINGDOM, October 27, 2016 /EINPresswire.com/ -- SMi Group is delighted to announce that registration is now open for its leading logistics conference, [Defence Logistics](#) Central and Eastern Europe, taking place in Prague, Czech Republic on the 7th and 8th March 2017.

This 2-day event and its workshop will aim to share the challenges of new Logistic structures and how they are being overcome by national militaries and international institutions. The key focus will be on specific aspects of logistics, with expert speakers covering the most pressing requirements such as: heavy-lift transport, supply chain management, demand forecasting and preparedness, MRO, lifecycle management, engineering support and [much more](#).

Event highlights:

1. Leading Military Logisticians from the Czech Republic, Hungary, Slovakia, Sweden, Norway, Netherlands and Spain confirmed to attend making this the most senior and focused logistics meeting in the region!
2. New to this year - a unique focus on NATO activities in the region and how individual nations are working together to support them
3. Our biggest-to-date logistics conference, showcase your industry solutions to leading military decision makers
