

Encompass Solutions, Inc. Recognized by Epicor as Platinum Partner in Annual Partner Program Awards

Encompass Gets Honored For Reselling Epicor Solutions

GREENSBORO, NC, UNITED STATES, October 25, 2016 /EINPresswire.com/ -- GREENSBORO, NC, 25 October 2016 – Encompass Solutions, Inc., has won the Platinum Partner Status award in the Annual Partner Program Awards. Recipients were selected by Epicor Software Corporation based on contributions to customers, revenue generated to Epicor as well as other considerations that showcased the partners' abilities in transforming customers to position them to grow by leveraging Epicor solutions.

“We are honored to be recognized by Epicor with the Platinum Partner Award for another consecutive year as we continue to deliver excellence throughout the implementation, technical support, training, and acquisition of the Epicor ERP software product”

Encompass is a certified Epicor Partner, providing ERP Consulting and industry leading development of mission critical enterprise solutions for over 15 years. The company's focus is to be an advocate to customers facing the challenges of today's market fierce competition and are often chosen as experts in this field to help American enterprises achieve a technological advantage. Encompass customer base has expanded to sectors beyond standard manufacturing and distribution to include pharmaceuticals, Life Sciences and more.

“Congratulations to our Partner Program Award recipient, Encompass Solutions, for enabling business growth by implementing Epicor solutions,” said Joe Cowan, president and chief executive officer, Epicor Software Corporation. “Our partners are an extension of our salesforce and we are fortunate to have an elite group of IT professionals aligned with us to support customers to focus on business growth, innovation, and enhanced customer experience.”

Epicor Partner Program Awards

The Epicor Partner Program Awards are designed to reward Epicor Channel Partner Program members who have demonstrated their ability to serve as an extension of Epicor's own salesforce to help businesses worldwide grow and transform. There are several different categories across different

geographies in which partners are awarded, ranging from Global Partner of the Year to specific recognitions such as Customer Advocacy and Marketing Excellence.

Our mission at Encompass is to provide a professional services practice skilled in business consulting, project management, and software implementation that offers clients a complete business solution focused on high levels of customer service, industry expertise, and value available to the North American manufacturing industry and beyond.
