

PowerPoint Alternative Focusky Introduced Several Output Options

Focusky thinks highly of users needs and carried out the multiple output options for the awesome presentations.

HONGKONG, CHINA, November 7, 2016 /EINPresswire.com/ -- Focusky has been proven as the best [PowerPoint alternative](#) for its 8 flexible output options, including Publish to Cloud, EXE, Video, HTML, APP, ZIP, Mobile Type, PDF format. Users can choose to publish their presentations in different formats and then present them online or offline.

"I always believe that PowerPoint has been the standard for delivering a linear presentation home and abroad. But at the same time, I also have a strong belief that everything can be better and better. It is for that reason that I encourage our team to invent Focusky, which opens a new era to deliver stunning non-linear presentations." said Jason Chan, President of Focusky.

Focusky not only offers beautiful image/video/3D templates, 3D transition effects, and stunning animation effects but also allows users to publish their presentations online and offline. As regards to how to choose published type, check the function of each published type below:

- Publish to Cloud: Upload presentations to Focusky server and visit the URL link online
- EXE: View presentation on windows computer without internet connection
- MP4: View video presentation on local computer and upload it to video websites
- HTML: Upload presentation to website server and view them offline.

- APP: Only run on the Mac OS. No otherplayers needed to read presentation.
- ZIP: Easily email the file to others and unzip to read offline.
- Mobile Type: Read presentations on mobile devices after installing the Focusky Mobile APP.
- PDF: Print presentation out and share PDF files with others.

“I really appreciate Focusky. I can deliver my class presentation with the zooming, panning and rotating effects. What’s more, I don’t need to install Focusky and I am able to give my amazing lesson without the internet connection as well. Most importantly, I can upload the handouts and homework to internet, so the students can review the lesson anytime anywhere. So perfect it is.” Jennifer, a teacher said. Focusky thinks highly of the customer’s feedbacks and will never stop to make progress.
