

Facility Management Services in India 2016 Market Expected to Grow at CAGR 17.19% and Forecast to 2020

PUNE, INDIA, November 7, 2016
/EINPresswire.com/ --

WiseGuyReports.Com Publish a New Market Research Report On –“Facility Management Services in India 2016 Global Market Expected to Grow at CAGR 17.19% and Forecast to 2020”.

The analysts forecast the facilities management services market in India to grow at a CAGR of 17.19% during the period 2016-2020.

The [FM services market in India](#) is predicted to grow at a CAGR of 17.19% during the forecast period, owing to the developments in end-user industries and the need for a safe, comfortable, and professionally-maintained work environment. The presence of global and Indian MNCs across end-users drives the FM services segment in India. This is because they are the potential customers that have higher awareness levels, exposure to facilities, and a willingness to invest in facilities management services. Among end-users, IT/ ITES/ BFSI contributes more than 21% of revenue generated by the FM services market due to the recent boom and investment in the segment. Other sectors like healthcare, retail, manufacturing, and infrastructure are also gaining momentum because growth is stemming from increased investments and initiatives undertaken by the Government of India.
