

Gasol plc to discuss commercial challenges for development of FLNG project at Floating LNG 2017

SMi Reports: Gasol plc will address the key commercial challenges for the development of LNG import project at Floating LNG 2017.

LONDON, UNITED KINGDOM, November 7, 2016 /EINPresswire.com/ -- SMi Group are thrilled to have Alan Buxton, Chief Operating Officer at Gasol plc on their expert speaker line up at [Floating LNG 2017](#) taking place 13th-14th February in London.

With many Floating LNG projects reaching their final decision stage, it is vital to consider how commercial challenges can impact the development of the project to ensure their viability and success. Gasol plc's Chief Operating Officer will be addressing this topical issue at Floating LNG 2017.

Alan Buxton will be giving an Opening

Address on Day Two of the conference, speaking about: Key commercial challenges for the development of LNG import projects. Presentation highlights include:

- Economic threats and opportunities
- Risk mitigation
- Importance of met/ ocean data
- Coordination of works to reduce claims for delay caused by individual work streams

For further information or to [register](#) for this event, [visit http://www.floating-lng.co.uk/einpresswire](http://www.floating-lng.co.uk/einpresswire)

Other speakers at this year's event include key decision makers from KBR, Enagas, Aragon, International Energy Agency, Moffatt & Nichol, Forbes Communications, Holmwood Consulting Limited, EC Cyprus Natural Hydrocarbons Company Ltd, Douglas West-Wood, Amec Foster Wheeler Iberia, Affinity Ship, Penguin Energy Consultants, FGE, Norton Rose Fulbright LLP and many more.

Over 15 key presentations featuring latest topics on Floating LNG: Global prospects for floating LNG, worldwide development of FSRUs, overcoming key technology challenges from liquefaction through to regasification, the influence of geopolitics on the supply and demand of FLNG, how the oil – gas price

margin impact the FLNG market and much more.

The event agenda also includes two post conference workshops, taking place on 15th February 2017:

- Workshop A: Developing a FLNG Project. Hosted by Penguin Energy Consultants.
- Workshop B: Legal and commercial issues affecting the FLNG industry. Hosted by Norton Rose Fulbright LLP.

Early bird places are strictly limited, those interested are advised to register before the 30th November to secure their place and save £200.
