Tamils for Clinton is a political activist group comprised of Americans with the majority being Tamil Americans. They believe that over 145,000 Tamil civilians living in Sri Lanka were massacred during the last weeks of the Sri Lankan ethnic war. They have also observed post war behaviors of the Sri Lankan Sinhalese victors, and concluded that Tamils in Sri Lanka will only be safe when this war torn island is divided into two individual self-governing nations.

It is of interest to note that according to UN Internal Review Report on Sri Lanka, around 70,000 Tamil civilians may have been massacred in the last six months of the ethnic war. Also, Catholic Diocese, Rt. Rev. Dr. Rayappu Joseph, the Bishop of Mannar in Sri Lanka gave a presentation to the Sri Lankan Lessons Learnt & Reconciliation Commission, exposing to the world that over 146,679 Tamil civilians in the area of Vanni were not accounted for in post-war Sri Lanka.
