Since 2009, 1st Choice Home Care has served the five boroughs of New York City, including Nassau and Westchester Counties, providing [in-home healthcare](#) and personal care services. A recently opened office in Flushing is expanding the company's service area.

Among the services offered are paraprofessional services such as personal care, housekeeping, live-in, and homemaking, as well as professional skilled services such as nursing. "Our in-home nursing care lets clients and their loved ones enjoy healthy lives in the comfort of a familiar environment," says Dilya Khalitova, administrator for 1st Choice Home Care. "We tailor our care to your family's unique care needs through individual assessments."

“When it becomes clear that your loved one may require more assistance than you can handle, that’s where we come in,” says Khalitova. “We keep constant contact among physicians, case managers, insurance companies and families to ensure your loved ones are properly cared for.”

The caring and respectful team of professionals at 1st Choice Home Care is dedicated to maintaining a great quality of life for all patients, which has led to outstanding customer satisfaction. To ensure the staff members continue to provide the excellent service the company has become known for, in-service training is conducted regularly. Furthermore, the diverse office staff is prepared to attend to the cultural needs of patients, with members speaking a host of languages such as Russian, Spanish, Chinese and more.

1st Choice Home Care continues to grow, exploring various lines of operation in order to give back to the community and be recognized as a reliable home care provider. “Receiving the Spectrum Award will motivate our team members to continue providing the best possible care and also allows them to share in the pride of our tradition of great service,” says Khalitova.
