

Façade experts from Bahrain Ministry of Works, Aedas, Perkins+Will and more to gather in Manama in December

MANAMA, BAHRAIN, November 10, 2016 /EINPresswire.com/ -- With Bahrain working on 40 environment-friendly building projects as part of its sustainable development initiative, and Saudi Arabia focusing on low-energy, sustainable architecture and spending on building exteriors, IQPC has organised the Façade Design and Engineering Bahrain & Saudi Arabia conference will be taking place on 5 December in Manama, Bahrain. This event will gather façade

experts, architects, developers and consultants to discuss key façade design and engineering challenges, plus solutions to creating iconic yet sustainable façades.
