EINPresswire.com/ -- WebMobril Technologies and Coach masters academy said Monday (10th nov 2016) they plan to provide free business technology services to area startups.

Their initiative, called WM-CMA Endeavour, will provide Mobile application, Web design and development and Online marketing services for free up to a certain usage level, said Jay Saraswat, Co-Founder of WebMobril Technologies.

There will be a confirming procedure for new businesses that need to take an interest, said Varun, Co-Founder of WebMobril Technologies. The services will be free to a point, however coordinators trust that by then the new businesses should be successful enough to pay for the services, he said.

"What we are going to do should set a perfect example for other organizations here to support the startup community," Jay added.

WebMobril Technologies are offering the services with their Seed Investors Coach Masters Academy – ICF approved coach training center serving 17+ countries, who are now going to raise Series-A funding for WebMobril Technologies for this venture.

New businesses that need more information about the activity, feel free to contact Sudeep
