

Global Silicone Elastomers Market will cross USD 8.7 Billion by 2022

Silicone Elastomers Market Research Report, By Product type (HTV, RTV and LSR), By Application (Construction, Automotive) - Forecast To 2022

PUNE, MAHARASHTRA, INDIA, November 10, 2016 /EINPresswire.com/ -- Market Research Future published a half cooked research report on [Silicone Elastomers Market](#). The global silicone elastomers market is expected to grow over the CAGR of 7.7% during the period 2016 to 2022.

Key Players: KCC Corporation, Specialty Silicone Products, Reiss Manufacturing, Mesgo S.P.A, ContiTech AG, Bentec Medical Incorporated, Saint-Gobain.”

Market Research Future

Market Highlights:

Over the past few years, the Global Silicone Elastomers Market has seen a substantial growth due to increasing demand of from its application industries. This results into a higher growth rate at the end of forecasted period. As per the market analysis, different factors have created boom in the global silicone elastomers market are rising application

segment, high physical properties, increasing demand from construction industry and emerging economies.

Geographically, Asia-Pacific is expected to be the largest market for silicone elastomers. China is one of the largest manufacturers of silicone elastomers which has also created a platform for the APAC countries. Along with this, the rapid emerging economy has been a major growing factor which has fueled the demand for silicone elastomers in the regional as well as global market. Followed by this, Europe is expected to be the second ruling region and North America would be in third position.

Scope of the study:

The scope of the study categorizes the Silicone Elastomers Market as product type and end use application.

By Product type

- HTV
- RTV
- LSR

By Application

- Construction
- Automotive
- Electronics
- Consumer Goods
- Industrial
