

Bar-B-Clean Expands Franchise Program to Six New Territories

Leading barbecue grill cleaning service now offering franchise opportunities in Dallas, Houston, San Antonio, Orlando, Las Vegas and Atlanta

ORANGE COUNTY, CA, UNITED STATES, November 10, 2016 /EINPresswire.com/ -- Orange County, CA – November 10, 2016 – [Bar-B-Clean](#), a leading professional [grill cleaning franchise](#), has announced today an expansion program targeting Dallas, Houston, San Antonio, Orlando, Las Vegas and Atlanta. Immediate franchise opportunities are available, as the brand seeks dedicated owner-operators in these select territories.

“With 75 percent of U.S. adults owning a grill or smoker, there’s a strong demand for cleaning services in the United States,” said Bryan Weinstein, CEO and founder of Bar-B-Clean. “With very few services offering the depth of cleaning of Bar-B-Clean, partnered with the support of a franchise program, there’s never been a better time for potential owner-operators to invest in our unique opportunity.”

Bar-B-Clean is a competitive, low-cost franchise option for both independent business owners, and those seeking an add-on business to their existing endeavor. Currently, Bar-B-Clean offers their residential and commercial customers a convenient, low-cost grill-cleaning solution in 23 locations spread across seven states: Arizona, California, Florida, Louisiana, Oklahoma, Tennessee and Texas.

The Bar-B-Clean franchise fee is \$19,500, with the total investment to own and operate an exclusive territory (about 100,000 households) of \$19,500 to \$25,000. This fee typically includes travel to training, equipment, insurance and ongoing marketing support. Both multi- and single-unit territories are currently available, and the franchise fee for all additional territories is \$14,625. A veteran-centric concept, Bar-B-Clean offers a 30 percent discount off the franchise fee for qualified military veterans.

About Bar-B-Clean

Bar-B-Clean is a barbeque cleaning service that helps maximize the life of grills by using biodegradable, non-toxic cleaning products to remove the carcinogenic chemicals that are left behind and can transfer onto food. Bar-B-Clean has developed a steam cleaning system that uses steam cleaners to pump out 310-degree steam vapor at 75 psi.

Launched in 2011 and franchising since 2013, Bar-B-Clean has since grown to 20 locations spread across seven states: Arizona, California, Florida, Louisiana, Oklahoma, Tennessee and Texas. The franchise brand is currently on a mission to uncork culture nationwide with a targeted franchise program.
