

# VARStreet Announces Real Time XML Integration with Digitek

*With real time XML integration, VARStreet users can now order products electronically and view price & inventory in real time from Digitek distributor.*

BOSTON, MASSACHUSETTS, UNITED STATES, November 10, 2016 /EINPresswire.com/ --

Real time XML integration with Digitek will help VARStreet users to improve business and better serve their customers, and moreover allow them to make informed decisions.”

*Shiv Agarwal*

VARStreet has now real time XML integration with Digitek. With this integration, mutual customers will be able to get information in real time from Digitek through VARStreet platform. Digitek is an industry leading USA distributor of OEM Imaging Supplies.

VARStreet resellers who have an account with Digitek can now place purchase order electronically as well as get tracking information through VARStreet with the same XML integration. Moreover they can also view order status, price & inventory in real time from Digitek distributor while quoting and creating purchase order.

VARStreet resellers who do not have an account with Digitek

can create an account by getting in touch with the team of Digitek. Once the account is created, resellers will be authorized to use catalog of Digitek in real time.

Shiv Agarwal, Vice President – Sales, VARStreet says, “Real time XML integration with Digitek will help VARStreet resellers to improve business and better serve their customers. Real time visibility of products while quoting will also allow our resellers to make timely informed decisions. ”
