

Energy Management in Railways Market 2016:Competitor,Share,Demand,Applications, Opportunities & Forecasts to 2020

PUNE, INDIA, November 11, 2016
/EINPresswire.com/ --

WiseGuyReports.Com Publish a New Market Research Report On –“Energy Management in Railways Market 2016:Competitor,Share,Demand,Applications,Opportunities & Forecasts to 2020”.

The analysts forecast the global energy management market to grow at a CAGR of 12.4% during the period 2016-2020.

[An energy management system \(EMS\)](#) consists of hardware, software, and services that provide energy information to users such as infrastructure managers, financial managers, facility managers, and power utilities. It is also a systematic process, which is used for continual improvement of energy performance. Consumers spend an enormous amount of their budgets on energy. This cost can be reduced with the use of improved energy management solutions. Thus, to improve managing and tracking of energy data, EMS is used.

Covered in this report

The report covers the present scenario and the growth prospects of the global energy management in railways market for 2016-2020. The report also presents the vendor landscape and a corresponding detailed analysis of the top four vendors operating in the market.

The market is divided into the following segments based on geography:

- Americas
- APAC
- EMEA

The report, Global Energy Management Market in Railways 2016-2020, has been prepared based

on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market

Key vendors

- Alstom
- Bombardier
- Hitachi Railway
- Toshiba

Other prominent vendors

- ABB
- China CNR
- Cisco Systems
- IBM
- Mitsubishi Electric
- Siemens

Complete Report Details @ <https://www.wiseguyreports.com/reports/367343-global-energy-management-market-in-railways-2016-2020>

Market driver

- Need for energy efficiency
- For a full, detailed list, view our report

Market challenge

- Development of a common platform
- For a full, detailed list, view our report

Market trend

- Technological advances
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2020 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?

Table Of Contents – Major Key Points

PART 01: Executive summary

- Highlights

PART 02: Scope of the report

- Market overview
- Top-vendor offerings

PART 03: Market research methodology

- Research methodology
- Economic indicators

PART 04: Introduction

- Key market highlights

PART 05: Market landscape

- Market overview
- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by application

- Global energy management market in railways by application 2015
- Global energy management market in railways by application 2020
- Global energy management market in railways by rolling stock and systems segment
- Global energy management market in railways by services segment
- Global energy management market in railways by software segment

PART 07: Geographical segmentation

- Global energy management market in railways by geography 2015
- Global energy management market in railways by geography 2020
- Energy management market in railways in EMEA
- Energy management market in railways in Americas
- Energy management market in railways in APAC

PART 08: Market drivers

PART 09: Impact of drivers

PART 10: Market challenges

- Development of common platform
- Lack of competition
- Ownership of energy management initiatives

PART 11: Impact of drivers and challenges

PART 12: Market trends

PART 13: Vendor landscape

- Competitive scenario
- Other prominent vendors

PART 14: Key vendor analysis

- Alstom
- Bombardier
- Toshiba
- Hitachi Railway Systems

PART 15: Appendix

- List of abbreviation

PART 16: Explore Technavio
