

TECHBLOCKS CERTIFIED AS A GREAT WORKPLACE

Endorsed by a Highly Skilled Team that Creates Customer-First Innovative IT Solutions!

TORONTO, ONTARIO, CANADA, November 16, 2016 /EINPresswire.com/ -- Toronto, Ontario. TechBlocks Inc. is proud to announce that we have been certified as a GREAT WORKPLACE after a thorough and independent analysis conducted by Great Place to Work® Canada. This certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey about the workplace experience.

TechBlocks is a Toronto-based IT consulting and solutions firm, with a team of passionate innovators known for creating customer-first intuitive solutions, building lasting partnerships and helping clients stay ahead of the curve in their respective industries through strategic digital transformation. Core to TechBlocks' values is its dedication to building "Customer-First Solutions" which is reflected in its solutions, processes and people. This principle binds staff together as they embody a 'customer-first, people-first approach', which brings a unified vision among team members.

TechBlocks empowers its employees to become leaders in their areas of expertise by nurturing talent, and encouraging creativity and out-of-the-box thinking. While the company demands the highest standards of excellence, it also promotes a great work-life balance as well as a fun team environment.

"We are delighted to have been declared a Great Workplace by GPTW," said Prashant Kumar, SVP Strategy and Solutions of TechBlocks, "Our aim is to enable clients to achieve competitive differentiation, and we know that we can only achieve this by providing our skilled staff with the opportunities to challenge themselves, express their ideas and to continuously grow and train to keep abreast of latest trends. Most importantly, we have comradery and team members that care for one another, share and work together to achieve a common goal."

About Great Place to Work:

GPTW (www.greatplacetowork.ca) is the global authority on high-trust, high-performance workplace
