

Overhead Power Cables Market 2022 Outlook by Product Types and End Users – Key Players Analysis and Business Prospects

Overhead Power Cables Market by Product Type (Fixtures) by Voltage (High, Medium, and Low), by Users (Commercial), and by Region - Global Forecast to 2022

PUNE, MAHARASHTRA, INDIA, November 16, 2016 /EINPresswire.com/ -- Market Research Future published a Half-Cooked Research Report on Global Overhead Power Cables Market.

Market Highlights

Overhead Power Cables are the fundamental part of power transmission and distribution infrastructure. Rising inclusion of renewable power resources, high quality and uninterrupted electricity, upgradation of aging grid infrastructure result in the growth of the overhead power cables market. Rapid urbanization and industrialization are the major factors in the Global overhead power cables Market.

Key players in market include- General Cable Technologies Corp., Southwire Co. LLC, Zhejiang Shengda Steel Tower Co. Ltd., KEC International Ltd., Kalpataru Power Transmission Ltd., Nexans S.A.

Market Research Future

Asia Pacific will be the Fastest Growing Market

Asia Pacific held the largest share within the overhead power cables market, and is expected to retain its majority by 2022. This region is expected to be fastest growing market for overhead power cables. China and India are the main drivers for the growth in Asia Pacific region. North America was the second largest market for overhead power cables in 2014. High investments in power transmission and distribution infrastructure by Saudi Arabia and others countries are expected to drive the market in the Middle East. Middle East is expected to be second fastest growing market for

transmission cables.

Key Players

The key players of global Overhead Power Cables market report include-

- General Cable Technologies Corp.
- Southwire Co. LLC
- Zhejiang Shengda Steel Tower Co. Ltd.
- KEC International Ltd.
- Kalpataru Power Transmission Ltd.
- Nexans S.A.
- Prysmian S.p.A.
- Shandong DingChang Tower Co. Ltd.
- Nanjing Daji Iron Tower Manufacturing Co. Ltd.
- Sumitomo Electric Industries Ltd.

Taste the market data and market information presented through more than 85 market data tables and figures spread in more than 90 pages of the project report. Avail the in-depth table of content TOC & market synopsis on "[Global Overhead Power Cables Market Information from 2016 to 2022](#)"
