

EF Hutton Introduces Opportunistic Investing Strategies

Specialized Portfolios Allow Online Investors to Benefit from Market Events

SPRINGFIELD, OH, USA, November 16, 2016 /EINPresswire.com/ -- [EF Hutton](#)

America (symbol: [HUTN](#)) today announced a new service that allows investors to benefit from event-driven investment strategies. Investors have the capability to express a view on the outcome of macro events using specialized portfolios of securities design to benefit the investor if their viewpoint is accurate.

EF Hutton proposes events that can result in outsized movement – or an investor can propose an event that they want EF Hutton to build a specialized portfolio. This is a n advanced, new generation, investment service that allows investors to be more active than

the standard ETN or index package offered by automated investment services. Until now, self-directed investors have typically held static portfolios.

Opportunistic Investing is the core part of EF Hutton's Premium Service which is available to investors for just 50 basis points per year based on account assets. As an introductory offer, EF Hutton will provide a year of unlimited stock trades to anyone who opens a Premium Account by December 31.

“

The advanced investment strategies provided by our premium service provides tools for main street investors that were previously only available to institutional investors such as hedge funds.

Christopher Daniels, CEO of EF Hutton

This is the third major announcement of innovative new products and services from EF Hutton in this quarter. Last month EF Hutton introduced online services that include no-commission trading and investing with multiple service levels – standard, premium and institutional/high net-worth.

“The advanced investment strategies provided by our premium service provides tools for main street investors that were previously only available to institutional investors such

as hedge funds.” said EF Hutton CEO, Christopher Daniels. “Further, EF Hutton clients can trade and invest for no commission, and our unlimited trading promotion offers a value that no other branded
