

Global 2-D Materials Market High Growth Potential in Electronics, semiconductor, Optoelectronics & Sensors-Forecast to 2027

To provide detailed analysis of the market structure for the next 10 years of the various segments and sub-segments of the Global 2-D Materials market

PUNE, MAHARASTRA, INDIA, November 17, 2016 /EINPresswire.com/ -- Market Scenario

The major growth driver of <u>2-D Materials</u> <u>Market</u> includes growing technological advancement in electronics market, and growing demand for user-friendly devices, among others.

Hence the market for 2-D Materials is expected to grow at 4.7% CAGR (2016-2027).

However, lack of technical expertise is one of the major factors which are hindering the growth of 2-D Materials Market.

Market Segmentation

Global 2-D Materials Market can be segmented as follows: Segmentation by Materials: Graphene, TMDCs, black phosphorus, and Boron nitride among others. Segmentation by Application: Semiconductor, aerospace, consumer electronics, healthcare, and energy among others.

"

Key Players : 2-D tech (U.K.), ACS materials (U.S.), Planar Tech (U.S.), Garmor (U.S.), Thomas-swan (U.K.), and Nitronix (U.S.)" Market Research Future "Ask for your specific company profile and country level customization on reports."

Key Players of Global 2-D Materials Market Research Report:

- ACS materials (U.S.)
- Planar Tech (U.S.)
- Garmor (U.S.)
- Thomas-swan (U.K.)
- Nitronix (U.S.)

Regional Analysis

North America is expected to dominate the Global 2-D Materials Market with the largest market share, and therefore accounting for \$XX million and is expected to grow over \$XX billion by 2027.2-D Materials Market in Asia-Pacific market is expected to grow at CAGR of XX% from \$ XX million in 2016 to \$XX million by 2027. The Europe market for 2-D Materials Market is expected to grow at XX% CAGR (2016-2027).

Reasons to Purchase this report

From an insight perspective, this research report has focused on various levels of analyses—industry analysis (industry trends), market share analysis of top players, supply chain analysis, and company profiles, which together comprise and discuss the basic views on the competitive landscape, emerging and high-growth segments of the 2-D Materials Market. High-growth regions & market drivers, restraints and opportunities.

Industry News

Americas

- North America
- US
- Canada

Europe

- Western Europe
- Germany
