

Electric Vehicles Market - Global Industry Analysis, Forecast, Overview, Growth Impact and Demand by Regions till 2022

Electric Vehicles Market Information Report by Technology (Hybrid EV's, Plug-In Hybrid EV's), Battery Types, End Users and by Region - Global Forecast to 2022

PUNE, MAHARASHTRA, INDIA,
November 21, 2016 /EINPresswire.com/
-- Market Highlights

Electric vehicles are powered by electric motor, which uses energy from rechargeable batteries. These vehicles are environmental friendly and do not produce any tail emission which help to reduce the pollution.

The Major Key Players are Smith Electric Vehicle, Daimler AG, General Motors, Tesla Motor, Mercedes-Benz, Nissan Motors, Company, Mitsubishi Motors Corporation, Volkswagen, Renault S.A”

Market Research Future

- Mitsubishi Motors Corporation
- Volkswagen
- Renault S.A

Due to increasing the fuel prices, Government support and increasing public demand increases the Electric Vehicles market and is expected to register a significant growth of 6% in the next six years.

Major Key Players

- Smith Electric Vehicle
- Daimler AG
- General Motors
- Tesla Motor
- Mercedes-Benz
- Nissan Motors Company

Company Information

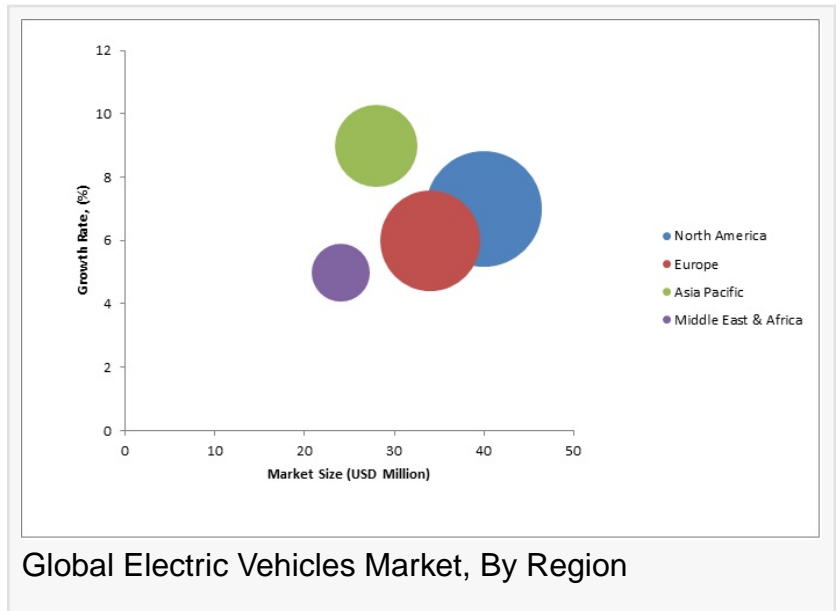

- Profiling of key market players
- SWOT analysis, and strategy information of top five profile players in the report
- Competitive landscape including emerging trends adopted by major companies

Intended Audience

- Electric Vehicles manufacturing Companies
- Transportation sector consultants and Investment bankers
- Environment Related Associations
- Government as well as Independent Regulatory Authorities

Scope of the report

This study provides an overview of the Electric vehicles industry, tracking market segments across the categorized four geographic regions. The report provides a six-year forecast for the market size in terms of value for North America, Europe, Asia-Pacific, & Middle East & Africa. The scope of the study segments the Electric vehicles market based on Technologies, Battery Type & End Users.

Taste the market data and market information presented through more than 50 market data tables and figures spread in 100 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on [“Electric Vehicles Market Research Report - Global Forecast to 2022”](#)

Study Objectives of Electric Vehicles Market

- To provide detailed analysis of the market structure along with forecast for the next 6 years of the various segments and sub-segments of the [Global Electric Vehicles Market](#)
- To provide insights about factors affecting the market growth
- To Analyze the Global Electric Vehicles Market based on various factors such as supply chain analysis, and Porter’s five force analysis
- To provide historical and forecast revenue of the market segments and sub-segments with respect to regions and their respective key countries
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segments by Technology, by Battery type and by End Users.
- To provide strategic profiling of key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the Global Electric Vehicles Market.

Market Segmentation

Segmentation by Technology

- Hybrid EV's
- Plug-In Hybrid EV's
- Battery EV's

Segmentation by Battery Types

- Lead Acid
- Nickel Metal Hybrid
- Zebra
- Lithium Ion

Segmentation by End Users

- Residential
- Commercial
- Industrial

Segmentation by Region

- North America
- Europe
- Asia-Pacific
- Middle East & Africa

The report gives the clear picture of current market scenario which includes historical and projected market size in terms of value, technological advancement, macro economical and governing factors in the market. The report provides details information and strategies of the top key players in the industry. The report also gives a broad study of the different market segments and regions.
